

Summary of Changes to the January 23, 2008 Draft List of Waters

Reach Name	Reach Location	Basin	Description of Change
Big Branch	Headwaters to Blocker Creek (Tattnall County)	Altamaha	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Little Creek	Gum Creek to Honey Camp Branch (Wayne County)	Altamaha	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to McClendon Creek	Headwaters to McClendon Creek (McIntosh County)	Altamaha	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Walter F. George Lake	Quitman/Clay Counties	Chattahoochee	The draft listed the location of the lake as being in Troup and Heard Counties. This was corrected to Quitman and Clay.
Dozier Creek	Oostanaula River Tributary (Floyd County)	Coosa	"Nonpoint Source" was added as a cause for the fecal coliform impairment
Horseleg Creek	Rome (Floyd County)	Coosa	"Urban Runoff" was added as a cause for fecal coliform impairment
West Fork Little River	Headwaters to Alabama State Line (Walker/Dade County)	Coosa	Water was listed as Category 1 in draft. It was moved to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Beaver Creek	Headwaters to Spring Hill Creek, SW Marshallville (Macon County)	Fint	The year "2007" was removed from the priority column as the water is in category 4a and the TMDL is already completed, so a priority date is not required.
Blackshear Lake	Crisp, Sumter, Lee, Dooly Counties	Flint	Added "Lee" County to description and to list of counties.
Spring Creek	Aycocks Creek to Lake Seminole (Decatur County)	Flint	The year "2017" was added to the priority column. It was inadvertently left off the draft.
Atwood Creek	Headwaters to Dark Creek (McIntosh County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Jackson Branch	Upstream King Finishing Company from SR17 to Co. Rd. 39, Dover (Screven County)	Ogeechee	Water was moved from Category 5 on the draft list to Category 4a on the final list because the TMDL for FC has been completed. It was put in Category 5 by mistake.
Raccoon Creek	Headwaters to Mt. Hope Creek (Liberty County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.

Summary of Changes to the January 23, 2008 Draft List of Waters

Reach Name	Reach Location	Basin	Description of Change
Tributary to Black Island Creek #1	Headwaters to Black Island Creek (McIntosh County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Black Island Creek #2	Headwaters to Black Island Creek (McIntosh County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Hoover Creek #1	Headwaters (Skyline Rd) to Hoover Creek (Chatham County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Hoover Creek #2	Headwaters (Coffee Bluff Rd) to Hoover Creek (Chatham County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Hudson Creek	Headwaters to Hudson Creek (McIntosh County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Jones Creek	Headwaters to Jones Creek (Liberty County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Little Ogeechee River	Clyo Circle to Little Ogeechee River (Chatham County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Sapelo River	Headwaters to Sapelo River (McIntosh County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to South Newport River	Headwaters to South Newport River (McIntosh County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Taylors Creek	Headwaters to Taylors Creek (Long County)	Ogeechee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Briar Creek	Headwaters to Tenmile Creek (Bacon County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Burket Creek	Headwaters to Hurricane Creek (Jeff Davis County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.

Summary of Changes to the January 23, 2008 Draft List of Waters

Reach Name	Reach Location	Basin	Description of Change
Cat Creek	Headwaters to Seventeen Mile River (Coffee County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Dry Creek	Headwaters to Hurricane Creek (Coffee County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Fullwood Creek	Headwaters to Satilla River (Ware County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Jointer Creek	Headwaters to Satilla River (aka Jekyll Sound) (Glynn County)	Satilla	Added "aka Jekyll Sound" to reach description location as the Satilla River is also called Jekyll Sound at this point.
Keene Bay Branch	Headwaters to Little Satilla Creek (Wayne County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Mill Creek	Headwaters to Big Creek (Ware/Brantley Counties)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Otter Creek	Long Branch to Griffin Branch (Pierce County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Pudding Creek	Ruffin Creek to Park Bay Creek (Atkinson County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Sweeney Creek	Headwaters to White Oak Creek (Camden County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Todd Creek	Headwaters to Camp Creek (Camden County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Brickhill River (S. Brickhill River)	Headwaters to Brickhill (S. Brickhill) River (Camden County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.

Summary of Changes to the January 23, 2008 Draft List of Waters

Reach Name	Reach Location	Basin	Description of Change
Tributary to Hurricane Creek	Headwaters to Hurricane Creek (Coffee County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Maclkintooth Creek	Headwaters to Maclkintooth Creek (Camden County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Satilla River	Headwaters to Satilla River (Pierce County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Satilla River	Headwaters to Satilla River (Pierce County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to South Brunswick River	Headwaters to South Brunswick River (Glynn County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Troup Creek	Headwaters to Troup Creek (Glynn County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Waverly Creek	Waverly Swamp to Cross Swamp (Camden County)	Satilla	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Springfield Canal	Headwaters to Savannah River (Chatham County)	Savannah	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Stekoa Creek	Clayton to Chattooga River (Rabun County)	Savannah	The creek was listed as being in Category 5 for Bio M, but the TMDL has been completed for this parameter, so it was moved to Category 4a. The priority year was also removed since the TMDL has been completed.
Clay Branch	Headwaters to Spanish Creek (Charlton County)	St. Marys	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Hatcher's Branch	Headwaters to Spanish Creek (Charlton County)	St. Marys	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to St. Marys River	Headwaters to St. Marys River (Charlton County)	St. Marys	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.

Summary of Changes to the January 23, 2008 Draft List of Waters

Reach Name	Reach Location	Basin	Description of Change
Bill Branch	Headwaters to Big Branch (Echols County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Camp Creek	Headwaters to Walker Creek (Clinch County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Meetinghouse Branch	Headwaters to Grand Bay Creek (Lowndes County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Moore Branch	Headwaters to Alapaha River (Lanier County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Okapilco Creek	SR 76, Quitman to Withlatchoochee River (Brooks County)	Suwannee	The creek was listed as being in Category 5 for FC in the draft list, but the TMDL has been completed for this parameter, so it was moved to Category 4a and the priority year was also removed.
Otter Creek	Headwaters to Grand Bay Creek (Lowndes County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Reedy Creek	Headwaters to Alapaha River (Lanier County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to Batterbee Branch	Headwaters to Batterbee Branch (Berrien County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to the Alapaha River	Headwaters to the Alapaha River (Berrien County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Tributary to the Alapaha River	Headwaters to the Alapaha River (Berrien County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
Ty Ty Branch	Headwaters to Ray Branch (Lowndes County)	Suwannee	Added water to Category 3 based on EPD macroinvertebrate data evaluated after the list went to public notice.
